

OCT 15 1953

The Honorable William E. Jenner
Chairman, Internal Security Subcommittee
Committee on the Judiciary
United States Senate
Washington 25, D. C.

Dear Mr. Chairman:

Mr. Robert Morris, your Subcommittee Counsel, has informed Mr. Walter L. Pforzheimer, our Legislative Counsel, that you desire to transmit a copy of the testimony, taken in Executive Session before your Subcommittee in the matter of John P. Davies, to the Department of Justice for their consideration in any possible proceedings which the Department may wish to initiate in this case. Mr. Morris has further informed us that this request is concurred in by Senator McCarran. In addition, he states that the Department of Justice will handle the record under the same security safeguards and considerations under which it was transmitted to the Department of State and which were set forth in General Cabell's letter to you of 5 September 1953.

Your courtesy in seeking our views in this matter is greatly appreciated, and this is to inform you that we would have no objections to the transcript being made available to the appropriate senior official of the Department of Justice under the same security safeguards as have been previously noted.

With kindest regards.

Sincerely,

(Signed) ALLEN W. DULLES
